## Beckley School PE and Sport Grant 2017 – 2018

Updated: July 2018

*Total Grant: £17,280, with an additional contribution to Area Sports from last year's budget of £413.56. Grand total: £17,693.59*

The purpose of this document is to explain how Beckley School intends to spend the PE and Sports Grant for the 2017 – 2018 academic year.  
OCC Guidance on how to use the grant:

*The following is included to provide schools with guidance as to how they can use the PE and sport premium  
Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.  
This means that you should use the premium to:*

- *develop or add to the PE and sport activities that your school already offers*
- *make improvements now that will benefit pupils joining the school in future years*

*For example, you can use your funding to:*

- *hire qualified sports coaches to work with teachers*
- *provide existing staff with training or resources to help them teach PE and sport more effectively*
- *introduce new sports or activities and encourage more pupils to take up sport*
- *support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs*
- *run sport competitions*
- *increase pupils' participation in the School Games*
- *run sports activities with other schools*

*You should not use your funding to:*

- *employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets*
- *teach the minimum requirements of the national curriculum - including those specified for swimming (or, in the case of academies and free schools, to teach your existing PE curriculum)*

## PE and Sports Premium

The funding allocation is £16,000 plus £10 per pupil in Years 1 – 6. Beckley School has been allocated £17,280, plus a carry-over of £413.56.

Note: CPD opportunities have been focussed on the areas that staff feel less confident teaching.

## Summary of Impact – July 2018

- Teachers have developed their teaching skills in a range of sports, such as athletics, games and yoga.
- Teachers more confident in delivering high quality PE lessons and preparing children for intra- and inter- school competitions, such as Sports Day and Area Sports.
- Children have experienced high quality PE provision from expert coaches.
- Children have experienced sports they would not have encountered but for the Sport Premium Grant, such as yoga and Zumba. Children enjoyed these sessions and they were well received by parents.
- Children have had opportunities for extra-curricular clubs including: yoga, Zumba, football, multi-sports and athletics. All ages have been offered classes.
- Children have benefitted from a resurfaced playground with painted lines. Children have been observed creating games on the lines which supports their active play. The new surface is less slippery and has fewer holes, supporting PE lessons.
